## Village Has \$26,306 Balance After Fiscal Year Debts All Paid

Income Was \$90,949.15 and It Cost \$64,642.70 to Operate Village

The village of Antioch has a balance of \$26,306.45 in its many funds to carry on as a surplus from the fiscal year ending May 1, according to the report of Treasurer Martha Hunter.

The report of the treasurer read in detail at Tuesday night's board meeting showed that receipts for the year ending May 1 totaled \$90,949.15, and disbursements were \$64,642.70. Audit of the report is made each year.

Mrs. Hunter received a request on the amount of delinquent taxes and interest on property in the Chinn estate, and negotiations are under way for a settlement. The interest compounded is more than the principal of the assessment, and the total is in excess of \$700.

The board made an agreement with Orin Hoffstetter, representative of August Bartz, Chicago, by which it will supervise the installation of 480 feet of 6-inch water main and a fire hydrant west from Main st. on North ave. to the Bartz property and Bartz will foot the bill.

The arrangement is the same as that made with Orchard st. residents. Persons who tap the line will have to pay a pro-rated footage cost to Bartz.

The well at the Bartz property went bad and it would cost as much to recondition it as to lay pipe for city water.

**Firemen to Attend College**  
The trustees approved a \$200 expense account for firemen to attend the fire college at Champaign, Ill., June 13-16. Two probably will go.

Permission was granted for the Antioch Grade School Band Parents Association to conduct a tag sale Friday and Saturday, July 1 and 2 to raise money to buy uniforms for the band. The band brought honor to the village through its victory at the state contest, and is ready to give much service.

The board signed a contract with W. A. Rakow, Elgin, for his engineering service in motor fuel tax street improvements. He has served in this capacity since the death of his partner.

## Drainage of Township Funds Necessitates Tax Warrant Issuance

So heavy was the drainage from the public assistance and general funds this year, the Antioch Town Board found the township treasury depleted at its meeting Monday night, and had to issue anticipation warrants in the sum of \$5,000.

The warrants were made in five issues so that they can be retired if not all of the money is needed. The coffee will be replenished in August through regular tax income, Supervisor Murrie said.

Two especially prolonged hospital cases which were unforeseen as a matter of appropriation cost the township more than was anticipated.

The board increased the per diem salary of the new road commissioner James Runyard from \$12 to \$16. This is permitted by a new law that went into effect in March and takes into consideration that Runyard himself will work as a laborer as well as do supervising.

## Seyfarth and Osmond Open Antioch Office

Bernard Osmond, an Arlington Heights insurance broker, who grew to manhood in Antioch, has returned here and with Richard Seyfarth has opened an office in the basement below Wall's barbershop.

Osmond, a graduate of the University of Michigan school of commerce, will handle insurance. He plans to move his family here as soon as housing is available.

Atty. Richard Seyfarth, who was elected justice of the peace for Antioch township in April, has been practicing law and holding court at his home at Lake Marie. He practiced in Chicago and Blue Island before serving in the Navy in World War II. He is a graduate of the University of Illinois and its law school. He is building a home in Antioch.

**Cunningham Moves Building**  
Street Commissioner Murrill Cunningham last evening moved an office building he had at 274 Park ave. where he formerly lived to his new home on E. North Ave. The building was moved by the Schneider Trucking Co. and was completed within an hour, moving down Main st. at a speed of 8 miles an hour.

## Antioch Clean-up Days June 14 and 15

Tuesday and Wednesday, June 14 and 15 will be cleanup days in Antioch. All rubbish must be placed at the curb—no back yard pickups.

On Tuesday, June 14, the trucks will traverse the north end of the village to Lake street, and on Wednesday, pickup will continue from Lake street to the south end of town.

Village of Antioch

## 500 at Reception of Oetting's Sunday at Countryside Resort

Approximately 500 persons attended the reception and open house of Mr. and Mrs. Charles Oetting of Trevor, Wis., Sunday afternoon at the Countryside resort at Camp Lake given in celebration of their fiftieth wedding anniversary.

The reception was given in the same building in which their wedding reception was held.

Golden colored candles and flowers were used in the table decorations and the centerpiece of one table was a large wedding cake.

In the receiving line beside the honored couple were their children, Mrs. Kenneth Stockton of Watertown, S. Dak.; Mrs. Arthur May, Madison, Wis.; Mrs. Beatrice Matthews, Rock Lake; Alfred Oetting of Wilmett; and Louis Oetting of Trevor. One son, Carl Oetting, a resident of Montana, was unable to be present.

A buffet dinner was served to the guests.

Mr. and Mrs. Oetting were married June 6, 1905, in Chicago at the home of Mrs. Herman Oetting. Of the four attendants of the couple, only one is living. She is Mrs. Arthur Hammer of Chicago and she was present Sunday.

A dinner for the immediate family and Mrs. Hammer was served Monday at the Inn at Trevor with 23 persons in attendance. Grandchildren of the Oetting's furnished entertainment.

## Summer Bus Schedule

The summer bus schedule between Lake Geneva and Chicago through Antioch is now in operation. The bus arrives daily from Chicago at 9:25 a. m. and from Delavan, Wis., at 6:18 p. m.

Extra buses are run on Saturday and Sunday arriving at 1:25 p. m. from Chicago and returning at 1:18 p. m., and on Friday and Saturday only at 6:25 p. m. and returning at 9:28 p. m.

## Ignatius' Church to Picnic

St. Ignatius' church members will have a picnic at Fox River park Sunday immediately after the 11 o'clock service.

## Half Million Building Program Completed in Antioch in Fiscal Year

Fifty-one New Homes Erected Prior to May 1 for \$440,105 Total

A half million dollars worth of new building took place in Antioch during the fiscal year of the village ending May 1, records of Clerk Clarence Shultis show.

Fifty-one new homes valued at \$440,105, or approximately an average of \$8,630 (lots not considered) were erected.

In addition to this, alterations to residences totaled \$19,832, and alterations to other buildings cost \$8,800.

Two new filling stations are being constructed at an estimated cost of \$28,345, and 11 new private garages were estimated at a total of \$10,500 the report said.

The total for all building was \$505,582.

July of 1954, March and April of this year were the heaviest months from the standpoint of the issuance of permits. The figures by months are:

One Family Residences for 1954  
May—Four totaling \$32,600  
June—Seven totaling \$67,200  
July—Eleven totaling \$78,800  
August—Ten totaling \$98,000  
Sept.—Five totaling \$39,500  
Oct.—One residence, \$13,000.  
None in November and December.  
Jan. 1955—One at \$14,000  
None in February  
March—One valued at \$17,750  
April—Eleven totaling \$81,255.

While many of the new homes were constructed in the Oakwood Knolls subdivision, new homes went up in all parts of the village. Indications are that this new building boom will continue throughout this year and into next year.

## 4-H Share - the - Fun Festival on June 22

The annual 4-H Share-the-Fun Festival will be held Wednesday night, June 22, according to farm and home advisers Ray T. Nicholas and Helen Volk. The program will start at 7:30 p. m. in the Grayslake High School. Three out-of-the-county judges will score the acts and determine the five to participate in the district event.

Each 4-H Club in Lake County is invited to enter two acts in the festival. The five categories in which acts may be presented are master of ceremonies, vocal, instrumental, stunt, and dance.

The Share-the-Fun is one of the highlights of the 4-H Club program according to the advisers, and attracts many participants and a large audience.

## Dedication of Antioch Little League Field Success Despite Two Minor Incidents Sun.

## Antioch Firemen Plan Public Dance June 25, Vogel's Band to Play

Antioch firemen will stage their benefit dance June 25 at the fire station, also using the Rescue Squad rooms.

Bob Vogel and his orchestra from Waukegan will provide the music from 9 p. m. to 1 a. m.

There will be attractive awards, and refreshments. Chief Edgar Simonsen said that the ticket sale is good and the firemen are expecting a large crowd.

The dance is again resorted to as a means of raising money for expense of the volunteer group. Started when the fire department was organized back in 1913 it has been held yearly with a few exceptions. The dance was omitted last year but will be held annually hereafter.

## Murphy Tells C. of C. He Opposes Sales Tax Says Sunday Bill Up

Rep. W. J. Murphy will oppose any and all of the sales tax bills now in the Illinois legislature, he told members of the Antioch Chamber of Commerce in their dinner meeting at Smart's Country House Monday.

Of the six now in the hopper at Springfield, one that proposes a return of one-half cent to villages is the least objectionable according to Murphy. It has its joker, in that if the villages do not use their money within six months for police, fire, or health services, the money reverts to the state.

Rep. Murphy dropped in at the meeting unannounced and the chamber dispensed with any other business it might have to question Murphy, a Little Lake resident on pending legislation.

He said that another bill that will get attention is one proposing the closing of business on Sunday except such places as gasoline stations, restaurants, resorts, and similar businesses necessary to the health and transportation of people. He did not say how he would vote on the matter.

Rep. Murphy said that Rte. 83 will be paved but not widened this summer.

"The paving will only be sufficient to preserve the road base," said Murphy, but he did not say why the plans to fully improve the road were changed.

Work is now in progress at Lake Villa where patching is preceding the coating.

## Knights of Columbus End First Year With Election of Officers

By July 1, St. Peter of Antioch, Knights of Columbus Council 3800 will have completed one year of organization work, and to complete the records the annual meeting for purpose of electing officers was held on Monday in the Legion hall.

The officers are: Francis H. Mitchell, grand knight; Walter W. Delaney, deputy grand knight; John L. Horan, chancellor; William B. Borworth, recorder; John B. Higgins, treasurer; Joseph J. McGrath, advocate; John Helligenthal, warden; William Vos, inside guard; Ralph M. Stollenwerk, outside guard; trustee: Walter T. Farrell, three years; Edmund Vos, two years; Ed. D. Sletten, one year; delegates to the state convention, Francis H. Mitchell and Walter T. Farrell, the outgoing grand knight, and alternates, Walter W. Delaney and Ralph M. Stollenwerk.

Two appointments, the lecturer and financial secretary, are to be made in order to complete the roll call of 1955-56 officers.

Membership for the past year has reached 65.

The newly elected officers will take over their respective offices at the July 5 meeting, but installation will not take place until later in the summer.

All arrangements have been completed for the second annual dinner-dance to be held on Saturday, June 25 at Hank's Supper club on route 41. Serving of dinner will be at 7 p. m. This is one of the outstanding social affairs of the year for the Knights of Columbus.

## Good Opening Day

Harry Linder reports that the grand opening of his liquor and cheese mart at the Antioch Recreation on Rte. 173 last weekend was quite satisfactory and he is doing a good business this week.

## Auxiliary Police Ask Money for Uniforms; Want Used Squad Car

Want \$1 a Year Pay to Benefit From Regular Police Insurance

A campaign to raise \$400 for uniforms for the Antioch Auxiliary Police Force has been started.

Representatives of the auxiliary group appeared before the village board Tuesday evening and received permission to appear in uniform.

"We need the identification for the owners of business places as well as the public," explained Lieut. Art Meyer. "When we are in civilian clothes they can't very well recognize us as police officers."

The uniform is said to cost not less than \$27 and 14 of them will be purchased. There are 12 members of the auxiliary force now, two having resigned, but two more are to be added. The uniforms will consist of green trousers, jackets and caps, with gray shirts.

Police Chief Walter I. Scott was laudatory in his discussion of the plan. "These men have given 272 hours of their time without charge since January," he said. "They serve after midnight on patrol and to direct traffic during rush times. They are doing a good job," he said.

**Want Token Salary**  
The auxiliary police asked to be placed on a \$1 a year salary basis so that they could get the benefit of insurance that is afforded regular police.

Mayor James McMillen asked Atty. Ed Jacobs to confer with the insurance company representative on the matter to see whether it could be done or not.

Capt. Ray Toft said that his men not only give of their time but the use of their cars, and buy gas and other supplies themselves.

As the village is unable to provide funds for the maintenance of the police force at present, its members are soliciting money from the business men and all other groups or organizations for the uniform fund.

**Business Men Pleased**  
The auxiliary police say that a number of business men already have expressed their gratitude to the unit and volunteered to donate toward its expense. Some of the community organizations have done likewise.

Those who wish to donate may send their contribution to the Antioch Auxiliary Police in care of Art's Paint Store, 406 Lake st., Antioch.

The unit hopes to acquire a late model used car for conversion to a squad car at a future date if local support indicates a desire for an increasingly effective auxiliary police force.

## Lightning Damages Ed Kapsa Residence But Family Uninjured

Lightning struck the Edwin Kapsa residence on the south shore of Channel Lake about 5:10 p. m. Saturday doing an estimated \$150 damage but injuring no one.

Fire Chief Edgar Simonsen said that the bolt apparently struck the Public Service power line and ran into the bedroom of the house, opening a hole in the wall two feet square.

Smoke and dust were emitted, but the building did not catch fire. He commended Mrs. Kapsa for her report of the situation nevertheless, and said she did it calmly and clearly.

Mr. and Mrs. Kapsa and their children were in another part of the house when the lightning struck and escaped injury, although they were badly frightened.

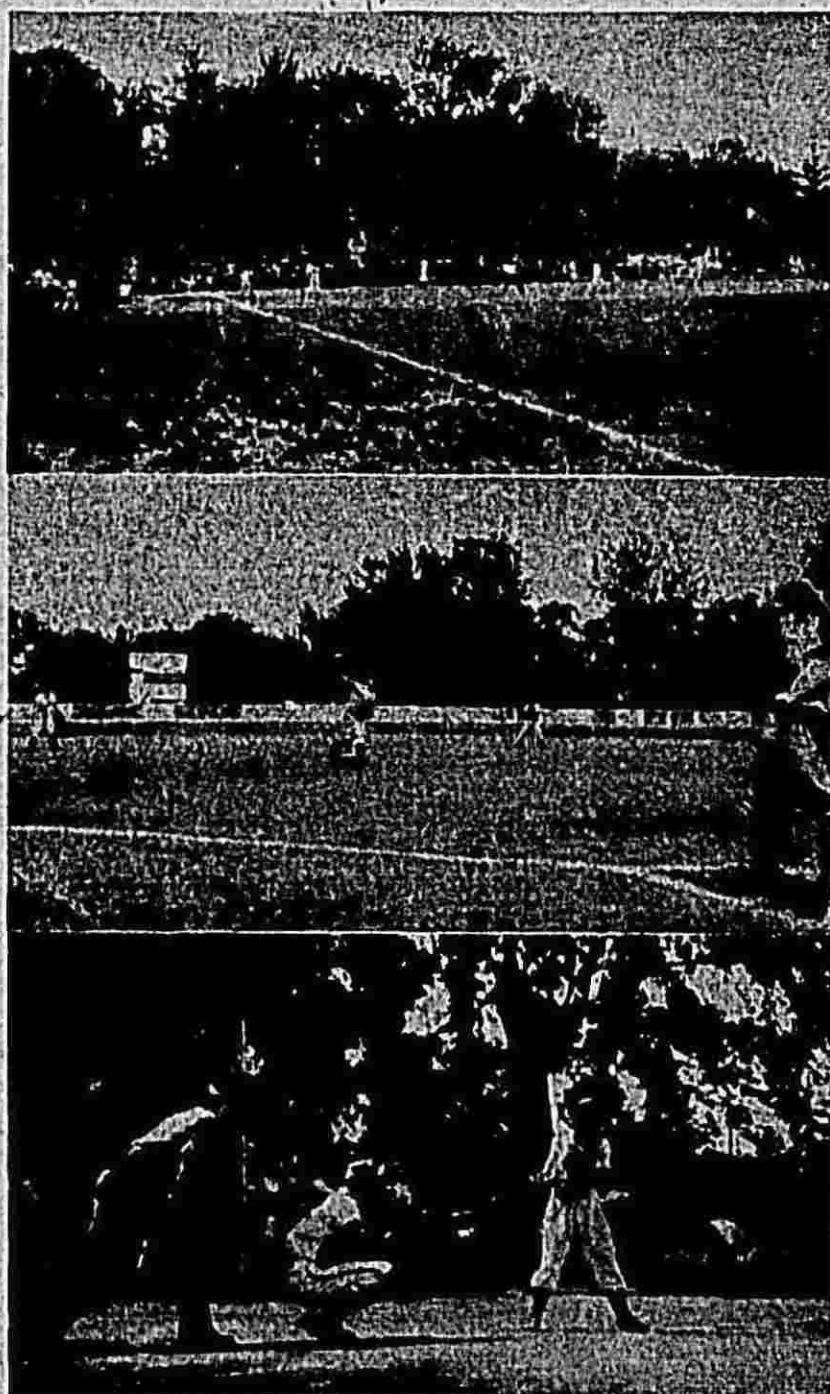

## Edward Bartlett, 91, of Lake Villa, Dies Sunday Following Brief Illness

Edward Bartlett, 91, of Lake Villa died Sunday at the Lake County General hospital, Waukegan, where he had been taken two hours before his death.

Mr. Bartlett was born February 12, 1864 at Street, Sommershire, England. He came to America in 1908, settling in Antioch, moving to Lake Villa in 1910. He was a retired building trades laborer.

Survivors are two sons, Fred G. Bartlett of Lake Villa and Arthur J. Bartlett of Miami, Florida, brothers and sisters in England, six grandchildren and six great grandchildren. His wife Lillian preceded him in death in 1923 and a son Raymond passed away in 1932.

Funeral services were held at 1:30 Wednesday at the Strang funeral home with the Rev. Kenneth Flumme officiating. Interment was in Angola cemetery at Lake Villa.

These pictures taken at the opening of the Little League and Pony League baseball season show, top, the crowd watching play as seen from right field; (center), Bill Wolfenbarger of the Dodgers pitches the first ball to Charles Carey of the Yankees; and, (bottom), Chuck Larson is umpiring the game with Bobby Lasco of the Yanks at bat and Jack Thompson of the Dodgers catching. ### Local Initiative and Local Needs

If anyone still believes—in the face of overwhelming evidence to the contrary—that we need to put the federal government ever deeper into the electric power business in order to meet the nation's growing power needs, he should take a look at Northwest Washington.

About a year ago the Puget Sound Utilities Council was formed, made up of a business-managed private utility company and several municipal systems and public utility districts. Recently it issued a blueprint for future power development. According to this, some \$870,000,000 will be spent over an eight-year period, and the electrical energy output of the Council's members will be more than doubled.

This will all be local money—not federal money. The Council's program proves—whether one is for or against either private power or public power—that local enterprises, local communities, and local people can accomplish the biggest jobs.

From a purely practical point of view, the Council is on the solidest possible ground. Congress has grown more and more chary of appropriating the money that belongs to all the people to pay for and subsidize socialized regional power projects. And that is why the possibility of power shortages is greatest in those regions where a federal monopoly or near-monopoly exists.

Finally, this is in the American tradition. Let local initiative meet local needs.

### Korea Learns a Lesson

It seems to be a hard and fast rule, applicable the world around, that government-in-business means waste and inefficiency.

Finance Minister Yi Chung Chae of Korea recently said: "We have reached the conclusion the efficiency of government-controlled enterprise is far below that of private enterprise." In view of this, he added, "The government gradually will sell its holdings to private business."

In our own country, the exhaustive Hoover Commission reports have shown that government-owned businesses, for the most part, are not only enormously wasteful of the tax-payer's money, but aren't needed. Korea's new policy could be followed profitably here.

### Facts About Right-to-Work

One of the charges made by opponents of the right-to-work laws which forbid compulsory union membership as a condition of employment, is that these laws are sure to force down wages and undermine business conditions and living standards generally.

The National Right to Work Committee has sur-

veyed the 12 states which have had the laws on their books since 1947, and so have had a chance to find out what happens (six more states have passed similar laws since.) It found that these 12 states have equalled or exceeded national average gains in non-farm employment, businesses in operation, per capita income, retail sales, population growth, and other barometers of economic well-being.

The right to work should be considered as fundamental as the right to breathe. Without it, there is no real freedom.

### Trouble in England

England is putting all-out effort behind attempts to make atomic power practical as a source of energy. And this isn't just because the English want to keep up with modern discoveries. A dominant reason is that the country hasn't been able to produce enough coal for its needs.

Several factors have contributed to this failure. Many of Britain's coal mines have been worked for centuries and it becomes increasingly difficult to get the fuel out. In the old days, the mine owners were extremely reluctant to mechanize and modernize operations. And socialization provided no solution.

Aside from this, Britain's situation indicates how important coal is to an industrial nation—the United States included. And we have been much luckier than our British friends. We have virtually unlimited supplies of coal in known reserves. Equally important, we have an industry which didn't hesitate to spend huge sums on mechanized mining methods and techniques even during long periods of time when profits were totally inadequate. As a consequence, the skilled American miner, using his mechanical servants, can produce much more each day than his counterpart abroad—and his wages reflect that superiority.

Coal remains a basic source of our industrial strength.

### The Low Down From Hickory Grove

In Germany, a professor is takin' off on a research job that is no common run of the mill research. The professor is settin' out to find out "how a honey bee knows where he is going."

Now folks, if the good professor can take time to pry into the goings-on of a bee, this Hickory essay department is going to pry into what is percolatin' in the craniums of so many governors and mayors and congressmen that causes them to shiver and shake in their boots when some raucous labor leader sounds off and threatens to vote for the other guy. They don't catch on to the fact as demonstrated by Senator Taft a few years back that the men who really work—and are Labor itself—are not the raucous, blustering, threatening type. Finding out about Bess and Politicians are not mediocre projects. I will listen to suggestions. I kinda think I may need, first off, a half dozen good phrenologists.

But anyway, there is something in the woodpile needing ferreting. "Taint America, when food and transportation and a dozen things can be tied in a knot and made scarce by a handful of pickets and rough and tough hombres. Vertebrate, in too many political places, is in short supply—methinks.

Yours with the low down,

JO SERRA

### MILLBURN

Annual Children's Day service will be held at the Millburn Congregational church Sunday morning, June 12, at 10:30 a. m. There will be no church school nor will there be a regular church service.

The Devotional Study group will meet at the home of Mrs. Rose Weindorf Thursday morning, June 9 from 9 until 11. Anyone wishing to join the group is welcome.

Bible School begins Monday morning, June 20, at the Millburn church, 9 a. m. for children aged four and above.

Mr. and Mrs. James Bonner and family of Kansasville, Wis., were callers at the Harley Clark home Sunday afternoon.

Mr. and Mrs. Edward Hoffman spent Thursday with their son, Richard at Michael Reese hospital in Chicago.

Wilder Smith and sisters, Cora and May of Hebron were callers at the Albert Smith home, Thursday. Miss Marian Edwards of Liberty-

ville was a supper guests at the home of her parents, Mr. and Mrs. Frank Edwards Friday.

Mr. and Mrs. Oscar Neahous spent a few days with their daughter, Mrs. Al Bomgart of Union Grove and also attended the graduation exercises of their grandson, Jerry Christiansen on Friday evening.

Mr. and Mrs. Robert Erwin of Waukegan were callers at the Frank Edwards home Friday evening.

Mr. and Mrs. Thomas Mann and family of Waukegan spent Saturday evening at the Albert Smith home.

Mr. and Mrs. Guy Johnston of Chicago, and Mrs. Linda Gobel and William Harris of Franklin Park, were Sunday guests at the Kenneth Young home.

Mr. and Mrs. L. Dee returned home Saturday after a wedding trip through the Smoky Mountains. They will be at home in Waukegan after July 1.

The Millburn Sunday School is

sponsoring a bake sale for Saturday morning, June 11, to be held on the church lawn from 9 until 11. Call Mr. Messersmith, Mrs. John

## the New PACKARD

with Torsion-Level Ride

240 HORSEPOWER PACKARD "PATRICIAN"—"ASK THE MAN WHO OWNS ONE"

SMOOTHES THE ROAD... LEVELS THE LOAD—Automatically

Rest assured . . . with Packard Torsion-Level Suspension you get the most relaxing, most reassuring ride on any road today!

Packard eliminated conventional coil and leaf springs, and designed Torsion-Level Suspension not just for cushioning effect, but to absorb all twisting forces due to up-and-down wheel movement . . . the same twisting forces that in other cars pitch and bounce the passengers, wrack the car frame and body.

A unique power-controlled Levelizer keeps the car automatically at ideal ride

level, no matter what the passenger or luggage load.

Packard created a new "free-breathing" V-8 engine, unleashing up to 275 horsepower, and delivering more driving force to the rear wheels at all road speeds than any car! Packard's Twin Ultramatic, smoothest of all automatic transmissions, gives you your choice of starts!

The new Packard is a matchless blend of grace and spirit, luxury and good taste . . . truly, the one new car in the fine car field. Let us arrange a revealing test ride for you today!

## A.T.H.S. Honor Roll For Six Weeks and Full Semester Given

Four Antioch High School students had perfect 20 point grade scores for the last six weeks of the school year but only two of them had that average for the entire semester. They were Nancy Rentner, a senior, and Paula Zelen, a freshman. Richard Sreh, a sophomore and Nancy Wetterberg, a freshman, were the other two with perfect scores for the six weeks.

The six-week honor roll of 61 students listed 13 seniors, 17 juniors, 14 sophomores, and 17 freshmen. The roll for the full semester lists 13 seniors, 17 juniors, 11 sophomores, and 14 freshmen.

Those who were honored for the six weeks and not for the semester were Arlene Cribb, Joan Forbrich, Jaclynn Martin, juniors; Barbara Hohnwald, Arthur Prineing, Janet Rogers, and Ralph Zelen, sophomores; Donna Gibbs, Larry DeWar, and Judith Sheehan, freshmen.

Honored for the entire semester are:

**SENIORS**—Joan Alvers, Howard Ballwanz, Davis Cain, Joyce Carlson, Carol Cervenka, Fred Clarke, Lois Flattum, Marilyn Furlan, James McMillen, Shirley Olschlager, Nancy Rentner, Garnet Seyfarth, and Nancy Swenson.

**JUNIORS**—Kay Anderson, Joyce Babor, Robert Cain, Jill Camphausen, Don Cugler, Barbara Doolittle, Robert Enis, JoAnne Haydon, Eric Hohnwald, Lillian McNeil, Lenore McCord, Jerry Meyer, Rosalie Morris, Donna Reidell, Norman Silver, James Stonis, and Mary Tully.

**SOPHOMORES**—Glen Chernik, John Elliott, Jean Filatreault, Lynn Gray, Edward Hastie, Judy Horton, Rosa Mena Rogers, Richard Sreh, David Valkenaar, Ray Van Patten, and Richard Vlk.

**FRESHMEN**—Joan Burton, Mary Forbrich, Robert Gable, Dorothy Jach, Judith Jensen, Richard Jonas, David Mitchell, Robert Poulsen, Judith Pyle, Karen Rentner, Gwendolyn Royer, Thomas Sanhamel, Nancy Wetterberg, and Paula Zelen.

## Letter to the Editor

Dear Editor:  
I think the Memorial Day parade held in Antioch was very good. But I have a question. Maybe you could help out and get others and me straight. That is if others were as dumb as me.

That float with the historic flags of the U. S. A. I counted 15 flags. What were they all and what were the dates they were used? I think this would make interesting reading. Can you help?

## SALEM

(Written for last week)

Mr. and Mrs. Roy Peterson and daughter of Inion, Ill., and Mr. and Mrs. F. H. Wheeler and family of Silver Lake and Mrs. Marcia Wheeler of Cleveland, Miss., were guests on Sunday of Mr. and Mrs. E. H. Hartnell.

Mr. and Mrs. Alfred Schmidt and family spent the week end at Wau-tomah with Mr. and Mrs. Alfred Hackbarth, and also attended the centennial at Tomah, Wis.

Mr. and Mrs. Andrew Rafferty of Rockford, Ill., spent the week end with Mr. and Mrs. Byron Patrick.

Mrs. Nellie Head has returned from Kenosha where she spent the past week.

Mr. and Mrs. Robert Patrick and children spent Monday with Mr. and Mrs. Albert Dunlap at Elkhorn.

Mrs. Frank Dix spent Friday in Milwaukee with her daughter, Mrs. Conrad Konzensike.

Mr. and Mrs. Thomas Presco of Chicago called on Mr. and Mrs. Byron Patrick Sunday.

Mrs. Elmer Fleming and son Dean spent Monday with her parents, Mr. and Mrs. David Elfers.

Mrs. John Schlax had the misfortune of falling down the stairs in her home last week. Although no bones were broken Mrs. Schlax suffered from shock.

Mrs. George Blemer and Mrs. Effie Hartnell were Kenosha shoppers on Friday.

Mrs. Velma Campbell of Racine spent the week end with Mr. and Mrs. Richard Hartnell and family.

Mrs. Henry Frautchy is a patient at the Burlington hospital.

Mrs. Frank Schmidt of Kenosha is spending some time with the Alfred Schmidt family and the Henry Frautchy family.

Mr. and Mrs. Harry Krahn and son, Mark, are on a motor trip to Arkansas to visit their son, Philip who is in service there.

## Returns to Carrier Job

Oliver Hughes returned to his position as mail carrier on Route 3 out of Antioch Wednesday, June 1.

Lee McKinney who has served the route during Hughes' absence will return to the office as a part-time clerk.

## Want to watch the gas pumps go by?

It's wonderful what Variable Pitch Propellers  
do for getaway AND gas savings!

## It's The Hardtop with Four Doors!

Another big reason for Buick's soaring sales is the 4-Door Riviera—the new hit in hardtops that's taking the country by storm. The "Convertible" look, with no center posts—but with separate doors for rear.

seat passengers. Shown here in the low-price Special model—also available in the high-powered Century Series. Both now in volume production to insure prompt deliveries.

ANY airline pilot will tell you that one big reason for the modern plane's greatly increased cruising range aloft is the variable pitch propeller.

To get off the ground, of course, the pilot needs plenty of acceleration, for take-off and climb. So his propellers must "bite" into air at a certain angle for utmost performance.

But once the plane is at cruising altitude, great power acceleration is no longer needed—fuel efficiency is. So the pilot switches the pitch of his propeller blades to high-economy angle—and gets a lot more mileage from the fuel in his tanks.

That's why Buick's new Variable Pitch Dynaflo\* is such a sensation across the nation.

For the same aviation principle that brings this two-way magic to the modern plane is now found in the twenty propeller-like blades whirling in oil inside the Dynaflo unit.

Just by pressing the gas pedal way down, you switch the pitch and get instantaneous getaway response or safety-surge acceleration.

Just by easing up on the pedal, you change the pitch to high-economy angle—and get new and better gas mileage in all normal driving and cruising.

It's a spectacular and sensible achievement—this new Dynaflo Drive—a brand-new thrill and a brand-new thriftiness.

And with it goes the might of record-high V8 power—and the level luxury of Buick's all-coil-spring ride—and the spacious roominess of Buick's broad interiors—and the host of other advanced features that add to Buick's brimming value.

Come in and try what is very definitely the performance thrill of the year—and see for yourself why Buick sales are soaring to all-time best-seller highs.

\*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

Thrill of the year is Buick

## Antioch Farms Visited By State Forester and County Farm Adviser

Farm Adviser Ray T. Nicholas accompanied Extension Forester Scholten to a number of windbreak and reforestation plantings in Lake county last week. The farms visited included C. E. Hennings, G. W. Jensen, and Orland Raether and G. S. Lange of Antioch; E. E. Elsbury, Gurnee; and Earl Kane, Mundelein. Excellent survival and growth of White Pine seedlings in a reforestation area was noted on the C. E. Hennings farm near Antioch. This planting was made May 7, 1952. All of the other visits were of windbreaks which were planted in 1939, except the G. S. Lange planting which was made April 21, 1949. Most of the windbreaks consist of Norway spruce and Douglas fir with a few Colorado Blue spruce for accent. In one planting where some Scotch pine were used, the borers had damaged the trees to such an extent that some were broken off a few feet from the ground. In addition to the above plantings which were supervised by the farm adviser, others can be seen on the C. A. Faulkner farm, Gurnee; Edward Brennan, Grayslake; Henry Schaeppi, Prairie View; William Schuchardt, Prairie View; John Pirie, Mundelein; and the Kathryn Mitchell farm, Zion.

**To Go on Educational Tour**  
Paul Biel, son of Mr. and Mrs. Louis Biel is one of 29 students who will go on an educational tour of Europe this summer under the direction of Professor Gruening of DePauw University. The group will leave Quebec June 15 and will spend two and one-half months visiting most of the countries of Europe.

**1949 Class to Reunite**  
The class of 1949 of the Antioch Township High School will hold a picnic reunion Sunday, June 12. The picnic will be held at Fox River Park starting at 12:30 p. m. CDT. Anyone attending is asked to bring his own lunch and a dish to pass. All friends and members of the class are invited.

Any person who accepts favors from others is placing a mortgage on his peace of mind.

# Ford leads all low-priced cars

In V-8 power

(with a Y-block V-8 that delivers  
new Trigger-Torque "GO")

Of all the low-priced V-8's, only Ford's Y-block V-8 has an extra-deep engine block to give you smoother, quieter, longer-lasting "GO"! This brilliant V-8, with Trigger-Torque response, obeys your commands instantly... gives you new confidence in traffic... allows you to pass more safely. Ford's short-stroke design and Automatic Power Pilot spell extra savings every mile.

In years-ahead looks

(with styling inspired by the Thunderbird)

Only Ford brings you the years-ahead beauty of Thunderbird styling. The lower roof line, longer body line and flatter rear deck all say "fine car." And inside, the Luxury Lounge interiors feature colors and fabrics appearing for the first time in any car.

In smoother going

(with Angle-Poised Ball-Joint Suspension)

No matter where you go, this advanced form of Ford's Ball-Joint Front Suspension smooths your way. The springs have been tilted to smooth out the bumps from the front as well as the up-and-down bumps.

In modern power assists

(with new Speed-Trigger Fordomatic and  
new Select-Aire Conditioner)

You can have your Ford as automatic as you want... at a price you want to pay. Power can help you shift, steer, stop... move windows and seat both up and down... even condition the air you breathe.

In choice of models

(with 16 models including  
5 different Station Wagons)

No other car offers you so many models to choose from. And in station wagon choice—whether you prefer 2 doors or 4... seats for 6 or 8—Ford has a best-seller double-duty beauty to suit your needs.

and in resale value

(with a higher return on your investment)

The final proof of Ford's extra worth is in its resale value. Ford has traditionally returned a higher portion of its original cost at resale than any other car in its field. Why not get the whole story at your Ford Dealer's. You'll never want to settle for less than Ford.

**Ford** the new  
best  
seller...  
sells more because it's worth more!

## LAKE VILLA

Rev. Kenneth Plummer of the Community church will be in his home town of Frostburg, Md., next Sunday to preach at a service being held in connection with the reunion of his high school which is held every five years. Rev. Howard Benson of the Antioch Methodist church will preach at the 8:30 service, and the Rev. Albert Hoover, former president of Dakota Wesleyan college, and now statistician for the Methodist church will be guest speaker at the 11 o'clock service. All are welcome. Mrs. Plummer and her two sons accompanied the pastor.

Vacation church school began Monday and will continue for two weeks for children from beginners and primary to juniors with competent teachers.

Circle No. 1 of Woman's Society of Christian Service will meet at the church on Wednesday afternoon, June 15, for dessert luncheon and business meeting. Mrs. Grace Evans and Mrs. Ruth Haley will be the hostess for the day, and Mrs. Helen Connell will be in charge of the devotional period.

Mrs. Lohra Rushmore passed away last Sunday at Villa Rest home at Pistakee Bay. Mrs. Rushmore and her husband, Earl, both of the telephone company formerly operated the telephone exchange here and were active in public affairs. She was a member of Cedar Lake Camp

of Royal Neighbors.

The Royal Neighbor Officers club met Wednesday at Grass Lake with Mrs. Irene Brown and Mrs. Elizabeth Anzinger hostesses at the Brown home.

Mr. and Mrs. Clayton Hamlin and Patricia were at Peru, Ill., last Sunday for the graduation of their son and brother, James Hamlin from St. Bede's college. He was one of a large class of seniors.

Mr. Joseph Pleviak, teacher in Lake Villa school, accompanied by his brother from Zion, left last week at the close of school, for Pennsylvania, and his wife and family will return with them to live here, as he has purchased Mrs. Martha Daube's home and will take possession immediately, as Mrs. Daube plans to

live in Waukegan with her daughter Genevieve who has a position with the telephone company there. Mrs. Daube has lived here many years and we wish her happiness in her new home. She has been one of the cooking staff at the school cafeteria for the past year. Mr. Pleviak has taught here for the past year and has been re-engaged for the coming year.

Diane Mae Barnstable, daughter of Mr. and Mrs. Kenneth Barnstable passed away on Sunday, May 29 at Dixon, Ill., and private services and burial took place there. Her maternal grandparents are Mr. and Mrs. Edward Wood of Round Lake, and her father's parents are Mr. and Mrs. Ervin Barnstable of Lake Villa. She was born May 10, 1950.

Mr. and Mrs. John Perry and Irene enjoyed a trip to Cadillac, Mich., over the Memorial Day holiday, and went by ferryboat from Milwaukee to visit relatives at Cadillac. Then on Wednesday morning, Irene, accompanied by Natalie Shipman, left by car for California where the girls expect to find employment.

Mrs. Georgia Avery, Mrs. Marie Hamlin, Mrs. Mayme Kapple and Mrs. Cora Hamlin were luncheon guests of Mrs. Lottie Boehm at her home near Wedge's Corners on Thursday last week.

Mr. and Mrs. Lester Hamlin and Marilyn went to Peru, Ind., last Friday to get Bob Hamlin who has been a student at St. Bede's college for the past school year, and who is home for summer vacation.

Mr. and Mrs. Charles T. Hexom and Scott of Waukesha called on friends here last week.

Ground has been broken for foundation of a new home on McKin-

ley avenue for Mr. and Mrs. Fred Feltz.

Mr. and Mrs. Jake Wallace spent last week with relatives at Minong, Wis.

# Look what the new Air Conditioners do besides keep you cool

**1 NEW FREEDOM FROM DIRT, DUST, POLLEN.** The new air conditioners filter out dirt and soot from outside—remove up to 99% of the pollen—a real boon to allergy sufferers. Your home stays cleaner, healthier.

**2 DRIES THE AIR AS IT COOLS.** No more muggy discomfort this summer—all 1955 models remove the excess humidity that makes you feel sticky, miserable. You enjoy dry, cool air all summer long.

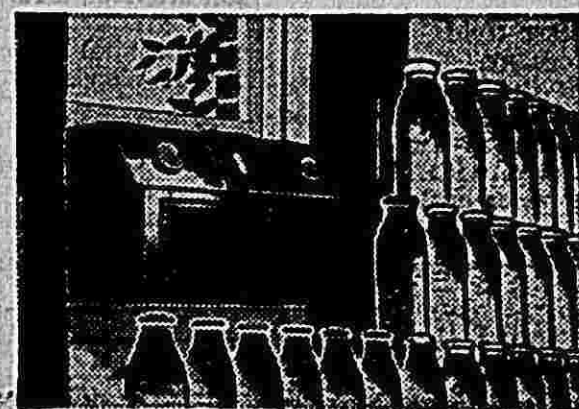

**3 KEEPS OUTSIDE NOISES OUTSIDE.** That's one of the benefits of air conditioning you'll really appreciate. No traffic or street noises to awaken you—and, the new air conditioners barely whisper as they work.

This summer more than 100,000 Chicago and Northern Illinois families will enjoy the wonderful comforts of an air conditioner.

And, as our pictures show, the new 1955 room air conditioners do lots more than just keep you cool. Certain makes even feature heating as well as cooling. (To take the chill off the room on a frosty morning.) There are models available now for virtually every type window, including casements.

But don't wait until the make or model you want is hard to get. See your dealer now and own a new room air conditioner for a few dollars down and as little as \$2.87 a week!

NEW YORKER DELUXE NEWPORT

**"Where are you going with my Chrysler?"**

He's like any normal husband with a new Chrysler in the family. He's learning why more wives "borrow" it than any other car!

It seems that once a wife or husband gets to know the ease and control of Chrysler's Full-time Power steering, any semi-power steering feels clumsy and heavy-handed. They both prefer Chrysler's smoother-acting Power Brakes . . . and the drive feeling of unlimited power in Chrysler's great new V8 engines! They like the utter smoothness and silence of

PowerFite Automatic Drive . . . and most of all they enjoy being seen and admired in America's most smartly different car!

Now two Chryslers would really keep a family like this happy. Nevertheless, they'd be the first to tell you that one is a thousand times better than none at all. That's why we urge you to come in for a personal look-see, and a drive.

It's a truly wonderful experience. And . . . Sir or Madam . . . we suggest you bring your spouse!

# SOCIETY EVENTS

## St. Ignatius' Honored By Presence of Dis- tinguished Visitor

The Parish Church of St. Ignatius of Antioch was very highly honored Tuesday evening by the presence of the Rt. Rev. Avery C. Mason, the Bishop of the Diocese of Dallas, who preached at the Confirmation service. Both Bishop Burrill, the present Bishop of Chicago, and Bishop Mason had worked together in the Diocese of Dallas and had become close friends at that time. Bishop Mason is currently absent from his diocese in order that the trustees and faculty of Seabury-Western Theological Seminary, Evanston, Ill., may bestow upon him the degree of Doctor of Divinity on June 9th.

At the confirmation service thirteen individuals were confirmed by Bishop Burrill, and five adults were received into full communion with the Church. The children confirmed were: John Horton, Jr., Virginia Smith, Bonnie Van Patten, John Hallway, Arnold Koenig, Merry Lou Van Patten, Lynn Kapell, Bonnie Keulman, and Marilyn Murrie. Adults who received the Sacrament of Confirmation were Mr. and Mrs. Harold Soloday and Mr. James E. Maplethorpe. Those adults received into the Communion of the Church were: Mrs. Harold Gaston, Mr. Jack Stieber, Mr. and Mrs. Lawrence Paullelli, and Mrs. James E. Maplethorpe.

Following the service, an excellent reception in honor of the two bishops and the new members of the church was held in the parish hall. The reception was sponsored by the Women's Auxiliary.

On account of his illness Mr. James Stearns was confirmed at his home by Bishop Burrill. Mr. Stearns' confirmation brought the total number in the class to eighteen.

Paul Schroeder, son of Mr. and Mrs. Charles Schroeder and Martin Quilty, son of Mrs. Thomas Quilty, returned home Friday after completing their freshman year at the Salvatorium school at St. Nazianz, Wis.

### R. N. A. Officers Hold Meeting Wednesday

Members of the Royal Neighbor officers club were entertained Wednesday afternoon at the home of Mrs. Irene Brown, with Mrs. Elizabeth Anzinger as co-hostess.

## Lakeland Baptist Church School to Start June 13

The Vacation Church School of the Lakeland Baptist Church opens Monday, June 13, at 9 a. m. It was announced by Mrs. Ward Larson, the director. The school will continue each weekday for two weeks. Classes will range from the nursery department to Senior High level.

The school is expected to exceed its enrollment of 140 last year. All children of the Lake Region are eligible to attend. Only those who are not connected with other Sunday Schools in the area are urged to register. Bus and car service are available to parents who may call Mrs. Larson, Ellet 6-1211.

A broad program of crafts and projects will enrich the basic religious instruction by a trained staff. Many of the teachers receive special training in a course conducted by a college teacher. The literature to be used is approved by the International Council on Religious Education.

The Lakeland church is meeting temporarily in the gymnasium of the Central Baptist Children's home at Lake Villa.

## Auxiliary News

### Mrs. Pearl Anderson Elected

Election of officers was held at the meeting of Antioch Unit American Legion Auxiliary May 27.

Pearl Anderson was elected as president; Corrine Carlucci, first vice president; Addie Horton, second vice president; Maude Johnson, treasurer; Bessie Wahl, sergeant-at-arms, and Mary Ellis, historian.

### Regular Meeting

The next regular meeting of Antioch unit will be held at 8 p. m. Friday, June 10 in the Legion home. A memorial service will be held at this time.

### Poppy Sales

Report of Poppy Day sales held May 27 and 28 by the Antioch Legion Post and Auxiliary was very good, exceeding last year's sales.

The Rev. and Mrs. Howard Benson attended a reunion of Mrs. Benson's graduating class of the Evanston hospital school of nursing Sunday at Woodstock.

Mrs. Maude H. Spencer of Long Beach, Calif., is spending the summer with her sister, Mrs. Charles Davis and family.

## Rural Antioch Resident Aboard Aircraft Carrier

San Francisco, Calif., (FHTNC)—Hubert L. Fox, seaman apprentice, USN, son of Mr. and Mrs. Hubert P. Fox of Route 4, Antioch, Ill., and husband of the former Miss Frances V. Kenimer of Wadsworth, is serving in the Far East aboard the attack aircraft carrier USS Oriskany.

The ship, a unit of the 7th Fleet, left its home port in March on her third tour of Far Eastern duty and will visit ports in Japan, Hawaii and the Philippines before returning in the fall.

### Eager Beavers 4-H Club News

The meeting of the Trevor Eager Beavers 4-H club was called to order by Kenneth Nicpon and roll call was answered by naming wild flowers.

The Town of Trevor asked the 4-H club to take care of the triangle at the entrance of town. This was agreed upon. Heinz Kiser was appointed chairman.

A committee has been formed to decide concerning an offer made by the school board for the 4-H group to landscape the parking lot entrance at the school.

The boys and girls marched in the Memorial Day parade at Silver Lake May 30.

A gift was presented to Mrs. Dexter in token of appreciation for the help, inspiration, and loyalty she has given to the 4-H group in their music festival.

Refreshments were served by Janet Ziegler, Carol and Charles Prange.

Mrs. Dexter led community singing and joined the group in the hokey pokey and bunny hop.

### Graduate From Creighton

Omaha, Nebr.—Catherine Lois LaPlante, daughter of Mr. and Mrs. E. B. LaPlante, Beach Grove road, Antioch, Ill., graduated last Thursday from the Creighton University College of Arts and Sciences with a bachelor of science in chemistry degree.

Cathy is a 1951 graduate of Notre Dame High School in Chicago and previously attended the College of St. Teresa, Winona, Minn., before coming to Creighton.

Creighton University awarded degrees to 375 graduates during commencement ceremonies held in the Music hall of the Omaha Civic Auditorium.

### W. S. C. S. To Hold Last Meeting of Season June 15

A regular meeting of the Women's Society of Christian Service of the Methodist church will be held Wednesday, June 15 at 7:30 p. m. in Wesley hall, preceded by a pot luck dinner. Mrs. John Quinn and her committee will have charge of the dinner starting at 6:30 p. m. A program will be given by the Missionary committee. A film on India, "Village of the Poor" will be shown. Mrs. John Quinn will lead the devotions.

This will be the last meeting of the season and all are most cordially invited.

## Antioch Chapter O. E. S. Observed Advance Night Saturday Evening

Antioch chapter Order of the Eastern Star held advance night Saturday evening, June 4, at the Masonic temple, Antioch. Mrs. Theodora Hennings-Kutz, associate matron served in the East with Leslie Heath serving as worthy patron. Mrs. Lillian Woods, conductress, served in the west as associate matron. All other offices were filled with associate matrons of Lake county chapters. Mrs. Marian Smith of Lake Forest chapter was guest of honor. Mrs. Mary Bruski and her committee were in charge of the dining room which was beautifully decorated with yellow carnations and brown and gold trim.

## Antioch Business and Professional Women's Club Hold Meeting Mon.

The Antioch Business and Professional Women's club held its last meeting of the season Monday evening at the Scout Home. Mrs. Wanda Oftedahl, president, had charge of the meeting. Following a business meeting games were played, followed by a luncheon served by the club's officers.

Mrs. H. E. Shepard and daughter, Mary, of Lake Lotawana, Mo., are guests of Mrs. Homer B. Gaston and family this week.

Here's just one of the many gifts you'll find for Dad

### Meeting of Parents of Retarded Children Will Be Held in Libertyville

The Retarded Children's Educational Society of Lake County will hold a meeting at 8 p. m. Wednesday, June 15 in the American Legion hall, 717 North Milwaukee ave., Libertyville.

The meeting is for parents who have retarded children and are interested in getting them in school. Representatives of organizations interested in child welfare are cordially invited.

The meeting will be conducted by Arthur Leppen, president, and Julius Hoppe, educational chairman. A short movie of the children in the Zion and Waukegan Schools will be shown to help explain what is being done with these children. After the showing of the movie, questions may be asked pertaining to Retarded Children and their schooling.

### Farm Adviser to Have Summer 4-H Assistant

Farm Adviser Ray T. Nicholas will have a summer assistant starting June 13 to help in connection with the 4-H Club program.

Lloyd Klindworth, a student in the University of Illinois College of Agriculture, will be the summer assistant. Klindworth has had eight years in 4-H Club work, three years as a junior leader, was president of the 4-H Federation, and had four years of F. F. A. work. His home is in Pana, Christian county, Ill. He will assist farm adviser Ray T. Nicholas in all activities of the 4-H program such as the 4-H program, camping, and other club meetings as possible.

Mrs. C. E. Hennings and Mrs. Edgar Petersen spent Wednesday with Mrs. Nels Petersen at Dow's Grove.

### Little League . . .

(continued from page 1)  
The Dodgers vs. Yankees in the first of a triple bill. The Dodgers won 15 to 3.

**R H E**  
Yankees 0 12 0 0 0—3 1 7  
Dodgers 7 23 12 \*—15 11 0

The Pony League game was scheduled for Wauconda, but Wauconda accepted Antioch's invitation to play the game here for the dedication. Wauconda won 8 to 2.

**R H E**  
Wauconda 0 0 3 0 12 2—8 11 3  
Antioch 0 0 0 2 0 0 0—2 0 6

Last but not least was the third game of the day with the Tigers playing the Cubs. The Cubs were victorious 2 to 0 behind Chip Eberman's no hit pitching.

**R H E**  
Tigers 0 0 0 0 0 0—0 0 1  
Cubs 0 0 0 2 \*—2 1 0

The committee expressed its appreciation to Edgar Simonsen and the fire department for the use of its public address system and to Tod Mapleshorpe who worked it so efficiently.

### Winter Colder in 1954-55 But Warmer Than Average

The past winter was colder than the year before but still 12.1 per cent warmer than normal, according to temperature figures supplied by W. V. Lahti, local oil dealer.

Chicago's total degrees amounted to 5,406 which was 2.2 per cent colder than the year before.

Antioch's total degrees was 6,205 or about 11 per cent colder than Chicago. This was an average of three degrees colder a day than Chicago.

Normal temperatures are computed on the basis of the average temperatures for 30 years from Sept. 1 until May 31. The number of degrees under a temperature where heat is commenced to be needed is recorded and added by the fuel dealers. From this they can gauge the need and consumption of fuel.

### GRASS LAKE SCOUTS PLAN CHICKEN DINNER

The Grass Lake Scout committee has announced that plans have been completed for a chicken barbecue, which will be held Sunday, July 3, from twelve noon to 2 p. m., in the woods back of the Grass Lake school. All proceeds will be used for purchasing oil for the Scout home for winter use. The public is invited.

### New Flag Custodian

Fred Clarke, left, president of the outgoing senior class is shown presenting to Robert Terry, president of the incoming senior class at Antioch Township High School the school flag at Flag Day service while Nancy Rentner, appearing on the program, looks on. Terry will have charge of the flag next year. (Warren Polley Photo.)

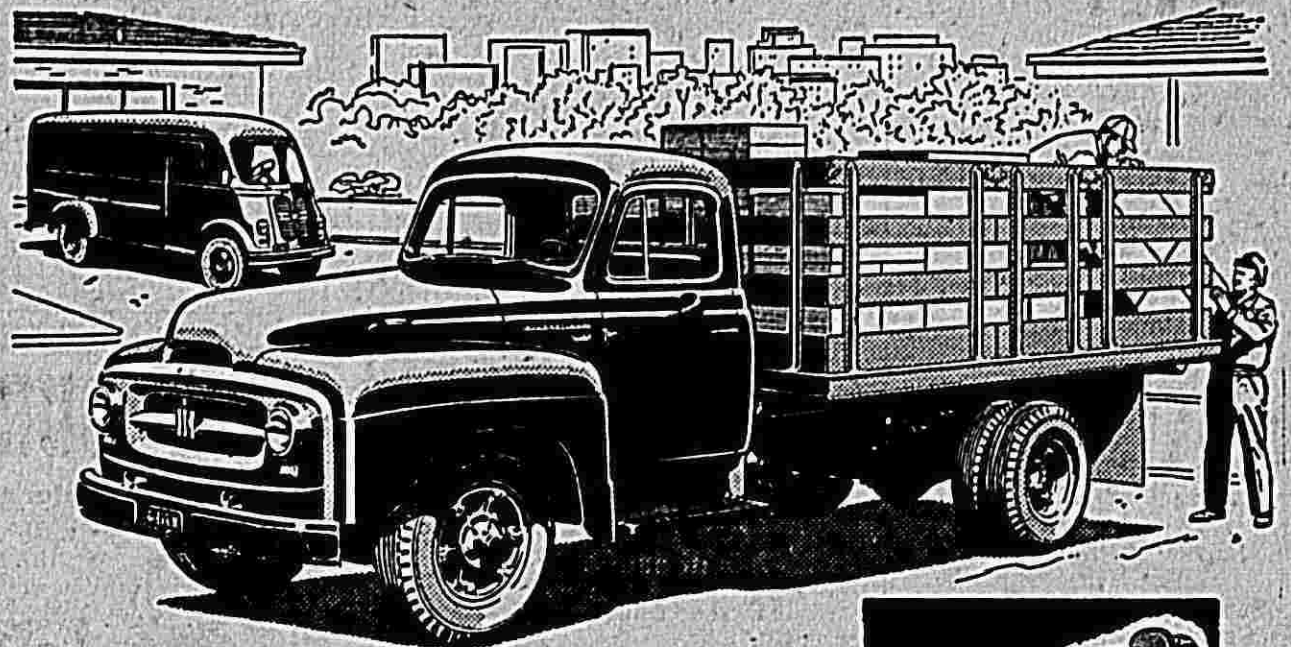

Some men's idea of practicing economy is to preach it daily to their wives.

Mrs. W. W. Warriner of Peoria is spending this week with Mrs. B. R. son, Gregory, of Syracuse, N. Y., left and Mrs. Charles Davis at their Burke and other friends in Antioch.

Mr. and Mrs. Donald Brown and days as guests of their parents, Mr. Saturday after spending several home at Indian Point.

# ALL-TRUCK BUILT

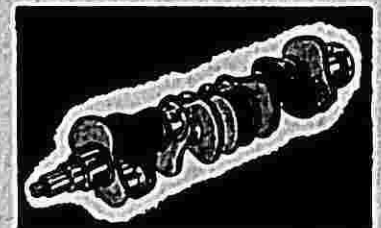

to save you the **BIG** money!

There's this vital difference between INTERNATIONAL and other trucks: Of the 5 leading makes, only INTERNATIONAL builds a complete line of models that are all-truck... with no passenger car engines or components asked to do a truck job.

This means that INTERNATIONAL, for all their comfort and easy handling, are engineered and built to save you the big money... the operation and maintenance money.

The proof is in the records of cost-conscious operators who have made INTERNATIONAL the heavy-duty sales leader for 23 straight years! It will save you **BIG** money to go INTERNATIONAL. Drop by and we'll show you why—in complete detail.

From fiery forges and precision machines come extra-strong INTERNATIONAL crankshafts. Those used in light-duty models are 17% heavier than the average of comparable forged or cast alloy 6-cylinder designs—for maximum strength and rigidity, long life.

## Only Gas

Gives you **Hot Water Faster!**

Why don't you retire that inefficient, old-fashioned water heater? It's false economy to struggle along with too-little hot water for your family's needs when a modern automatic GAS water heater will give you loads of hot water quicker... cheaper... more efficiently!

You see, Gas water heaters are scientifically designed to keep you supplied with hot water all the time. As soon as your "thirsty" automatic dishwasher and clothes washer begin to drain the supply, the GAS turns on full-flame automatically to replace the water that has been drawn off. And because modern GAS water heaters have such "quick-recovery," you don't need a bulky, space-taking tank. Enjoy all the hot water you want... any time!... for just pennies a day!

... with GAS there's no expensive installation necessary... your present service connections are more than adequate!

Get the proper size water heater for YOUR needs... see your plumber-dealer or visit our nearest store. Phone Enterprise 1441

**REGULAR BLOOD HOUNDS**  
After Customers  
Our Want Ads

By JACK SEIB and JOHN SHERBET

I would think that the inmates of a new Houston jail will not appreciate the strides that Television is taking. You see, a permanent TV camera constantly records their antics onto a central screen to the viewing convenience of their guards.

TV cameras in circling planes ten miles overhead pick-up the military tactics of practicing militia and send it to the screens of West Point for study purposes.

Dog race betters at a Palm Beach Kennel Club in Florida see the race finish via television in their lounging rooms.

In Oakland, California, a parking lot has a TV camera mounted high overlooking the spacious lot. A 21-inch screen in the attendant's booth tells him where the empty car spaces are.

You can have baby's room hooked-up with television so you can watch him from your living room.

These are just a few ways that television is being used. However, most of us enjoy TV daily from our easy chairs. We want a clear, sharp picture that is steady. We pride ourselves at COURTEOUS TV in knowing how to do this kind of servicing on television. Phone Antioch 144 if your TV doesn't give you this.

## USE OUR BUDGET PLAN

to buy next winter's fuel oil the modern, sensible way.

### FOR EXAMPLE:

If your season's heating cost is approximately \$160.00 your monthly payments would be:

\$13.34 for our 12 month plan (1st payment in June)  
\$14.55 for our 11 month plan (1st payment in July)  
\$16.00 for our 10 month plan (1st payment in August)  
\$17.78 for our 9 month plan (1st payment in September)

# Don't argue with this baby!

All Chevrolet's competitors and most of the high-priced cars tried it recently in official NASCAR\* trials—and took a licking!

Meet the champ! The new Chevrolet "Turbo-Fire V8"—the most modern V8 on the road today. Here's what happened—

**Daytona Beach, NASCAR Acceleration Tests Over Measured Mile From Standing Start.** Chevrolet captured the 4 top positions in its class! 8 of the first 11! And on a time basis Chevrolet beat every high-priced car, too—but one! But wait!—this is just the beginning!

**Daytona Beach, NASCAR 2-Way Straightaway Running.** Open to cars delivered in Florida for \$2,500 or less; Chevrolet captured the first two places, 7 out of the first 11 places!

**Daytona Beach, NASCAR 2-Way Straightaway Running Over Measured Mile.** Open to cars from 250 to 299 cu. in. displacement. Chevrolet captured 3 of the first 5 places!

**Columbia, S. C. NASCAR 100-Mile Race on half-mile track.** Very tight turns. Chevrolet finished first!

**Fayetteville, N. C. NASCAR Late Model Event.** Chevrolet again finished first. Because of even tighter turns the driver chose to run the entire 150 laps in second gear! Yet no overheating or pit stops!

These facts you can't laugh off. Sales leader. Road leader. A crowning achievement of Chevrolet and General Motors. Try a Chevrolet... and live in a land-of going-away where you win all the arguments! Soon, maybe?

\*National Association for Stock Car Auto Racing

Way, way ahead!

### Bus May Be Provided For Trip to Pool for Red Cross Swimming

Parents of pupils in the Antioch Grade School Dist. 34 who desire that their children take the swimming course offered at the Artemis pool at Round Lake by the American Red Cross Society are to call the Antioch Grade School Tel. 846 between the hours 9 a. m. and 4 p. m. daily except Saturday and Sunday. If enough interest is shown to make up a bus load an attempt will be made to provide transportation for registration on June 22. Parents

interested in taking their children directly to the pool may register either June 20, 21, or 22 between 9 a. m. and 12 noon.

Mrs. Grace Bryson, secretary of the Lake county chapter, ARC, said that an additional hour will be given to instruction this year in an attempt to improve the program by eliminating crowding.

Style and fabric combination becomes fashionable only if the color is becoming and the garment fits not only your appearance but your way of life.

## ... CAREFUL DRIVERS REWARDED THROUGH LOW INSURANCE COSTS

"Careful" drivers have fewer accidents and have  
fewer claims against their insurance company.  
At State Farm these lower claims costs mean  
lower insurance cost for State Farm policy-  
holders — since State Farm aims to insure "careful" drivers only.

If you are a "careful" driver you should look into this low-cost  
automobile insurance plan — it may mean big  
insurance savings for you. Call us today — to see  
if you can qualify as a "careful" driver. There  
is no obligation — and you may save money on  
your auto insurance.

It Pays to Know Your State Farm Agent

**HICKORY**

Mr. and Mrs. Bert Edwards celebrated their forty-third wedding anniversary on Sunday, June 6, with a dinner for themselves and their family at the Manor House in Gurnee. Those present were Mr. and Mrs. Ward Edwards and two sons of Rockford, Mr. and Mrs. Robert Taylor and two sons of Channel Lake, Mr. and Mrs. Norman Edwards and son and daughter of Deep Lake and Miss Doris Edwards.

Mrs. Curtis Wells and Clarence Spiering attended the annual membership party of Lake County Home Bureau held at the American Legion hall in Gurnee Thursday afternoon.

Pvt. Gerald S. Hunter is stationed with Co. B of the Armored Division at Fort Leonard Wood, Mo., and will be there during June and July for his eight weeks of basic training.

Mr. and Mrs. Raymond Wells and children of Waukegan were Sunday evening callers at the Curtis Wells home.

Mr. and Mrs. Pete Schaefer of Chicago and Mr. and Mrs. Kenneth

Lumley and family of Kenosha were Sunday evening callers at the William Richards home.

Mr. and Mrs. Wilson King and family called on Mrs. Elmer Bownette at her home in Gurnee Sunday evening.

Harrie Tillotson drove to Port Washington Monday morning, June 6, and Mrs. Tillotson returned home with him after a week's visit with her daughter and family, the William Halladas.

Mrs. Richard Wells and children visited at the home of her parents, Mr. and Mrs. Carl Zello in Milwaukee, over the week end.

Mr. and Mrs. Homer Toft and two children of Antioch visited Mr. and Mrs. Wilson King and family Monday evening, June 6.

Half of all cancer deaths in the United States occur in people under 5 years old. Of this number 3,500 are children under 15. Join the American Cancer Society Crusade.

For every 10,000 population, on an average, five persons will be saved from dying of cancer in 1955, but 14 will die and 45 will be treated for cancer. Give to the American Cancer Society Crusade.

## Here's where all that wonderful performance begins!

They're all true—all the wonderful things you hear about Pontiac's great performance.

The way it sweeps uphill or down with the same effortless ease. The tremendous burst of passing power that answers the nudge of your toe. The thought-quick response in stop-and-go traffic that makes the car seem part of you. The smooth, quiet way it goes about its business however hard or far you drive.

Lift the hood of a Pontiac and you'll be face to face with the reason. That compact power plant nestled there may look much like other V-8's—but that's where your eyes deceive you!

The Strato-Streak V-8 is in a class all by itself—filled with engineering "firsts" that make it the mightiest engine ever to appear

in Pontiac's price field. And it's one of the many Pontiac advantages you can't get anywhere else. Pontiac alone gives you the terrific drive of Strato-Streak performance.

This sensational performance, remember, comes in a distinguished, future-fashioned beauty that is tagged with a price any new-car buyer can readily afford.

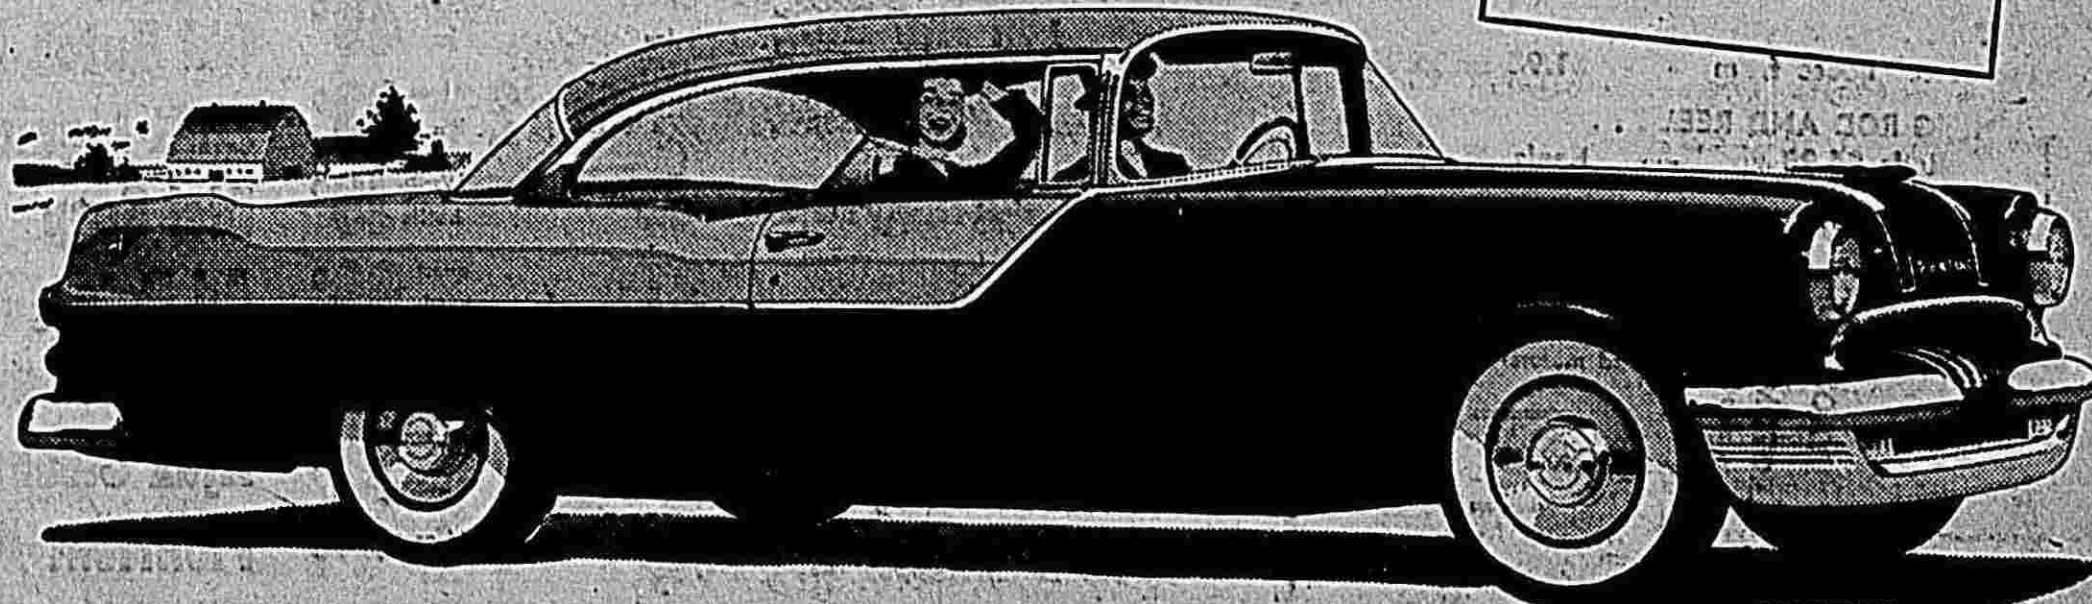

Here's your wide-open invitation to come in and try the result—the fastest-selling Pontiac of all time. The car is ready whenever you are! Make it soon.

# Pontiac

### Most Modern Engine in Any Car THE STRATO-STREAK V-8

The Strato-Streak V-8 is one of the great landmarks of automotive progress—the newest and most advanced engine you can buy. Standard with all three lines of Pontiac, it develops 180 H.P. and reaches a blazing 200 M.P.H. with the four-barrel carburetor, optional at extra cost. Either way you get the most power per dollar delivered by any car at any price.

E & L PONTIAC, INC.  
362 Depot Street Across from Antioch Grade School Antioch, Illinois

**Record Woman's Club Meeting on Tape**

The board of the Antioch Woman's Club for the coming season held its first meeting at the home of its president, Mrs. Clarence Spiering, on Monday afternoon where proceedings were tape recorded. It was decided to continue to omit the meetings which would fall just before and after the Christmas holidays, following the success of the plan when tried last year. It was also decided to keep a publicity scrap book. Under consideration were programs for the new year and contributing to the Park Ridge School for Girls.

**Rain Falls to Mar Luncheon of Altar and Rosary Society**

Despite the rain Monday afternoon, nearly 100 members and guests enjoyed the luncheon and card party given by the Altar and Rosary Society of St. Peter's, Antioch, for the sisters of the school. "Luncheon Is Served" was the name given to the party by Mrs. Gladys Montgomery of Evanston, who offered it to all groups or organizations for fund raising drives. The luncheon took the place of the regular June meeting of the Society.

Mr. and Mrs. Victor White of Pittsfield are the guests of Mr. and Mrs. Robert Wilton of Antioch and Mr. and Mrs. Charles Watson at Camp Lake.

Mr. and Mrs. Harry Bothe and sons of Detroit, Mich., left Tuesday after spending several days with Mrs. Bothe's parents, Mr. and Mrs. Irving Elms at their Channel Lake home.

Ted Larson, William Brook, Ed Jacobs, K. F. Deitrick, Louis Biel, Dr. James Kopriva and Arthur Trieger returned recently after a ten day fishing trip at Lake of the Woods, Ontario, Canada.

**Wabash College Graduate**

Crawfordsville, Ind., (Special)—David Stewart Deering, 21, son of Dr. and Mrs. D. N. Deering, 1055 Victoria st., Antioch, Ill., received a bachelor of arts degree from Wabash College at its 117th Commencement exercises Sunday.

Deering is a psychology major and an economics minor. He is a member of Lambda Chi Alpha, national social fraternity, and has been active in Band and Glee Club.

Deering plans to enter the Naval Officers Training program after graduation. He graduated from Antioch High School in 1951.

Mrs. Luedtke Hostess To O. E. S. Mrs. Helen Luedtke, worthy matron of Antioch chapter Order of the Eastern Star entertained the chapter's officers at her home on Grass Lake road Monday evening. Plans were completed for the bazaar and chicken dinner which will be served June 25 in the Masonic dining room.

**Murphy Accepts Challenge of Lady Wrestler For Bout in Antioch, But It Won't Be Held**

Rep. W. J. Murphy has accepted the challenge of a lady wrestler to a wrestling match but it is quite doubtful that it ever will take place. Rep. Louis Janczak, 59, Chicago, first received the challenge from Ada Ash, professional wrestler after he introduced a bill in the Illinois State Legislature outlawing female wrestling.

Rep. Janczak declined the challenge but in effect told the generously built wrestler Miss Ada Ash: "Let's you and Murphy fight."

Murphy was credited with being the undefeated political wrestler in Lake county, and he accepted the challenge, stipulating, however, that the contest be held in Antioch and that Mayor James McMillen be the referee.

Asked whether his wife would consent, Rep. Murphy was said to have replied that she was broad-minded.

Miss Ash grapples live alligators at Chicago's Riverview Park.

## SPORTS CAR RACING

SUNDAY, JUNE 12

WILMOT HILLS ROAD RACE COURSE

6 Miles North of Antioch on Highway C

100 Drivers entered from all over the country

Gates open 10:00 A. M. D.S.T.

Races start 1:00 P. M. D.S.T.

**Luisa Vos Hostess To Classmates**

Miss Luisa Vos, daughter of Mr. and Mrs. E. F. Vos of North Main st., entertained her Ferry Hall classmates at dinner on Thursday evening. She is a member of the Ferry

Hall Glee club; and was in the group which were presented in the school auditorium in a formal concert on Friday evening as part of the Commencement activities. Luisa will return to Ferry Hall in the fall as a member of the sophomore class.
